DICK'S OUT FOR BORIS

By COLIN HURST

THE Metropolitan Police has FINALLY launched a probe into "a number of events" in Downing Street and Whitehall over potential breaches of coronavirus rules.

"The Met is investigating a number of events that took place at Downing St and Whitehall in the last two years in relation to potential breaches of COVID-19 regulations," Met Police chief Cressida Dick said.

The move comes after cops guarding No. 10 faced stick for not acting against parties, when many ordinary people across the country had been arrested and fined for breaches of the draconian regulations.

Meg reveals

girls she's
a genuine
fanny fan

BUSTY Megan Barton Hanson has revealed that lesbians did not believe her when she revealed she was partial to the taste of WET FANNY!

Meg, who likes cock AND minge, detailed the difficulties she faced in "proving" her interest in women as a "stereotypically girly girl".

The 27-year-old, who shot to fame on *Love Island* in 2018, spoke to illustrator, writer, feminist social activist and influencer Florence Given on her *You Come First* podcast about how she has battled to establish herself since coming out.

The duo discussed how they navigate being bisexual while being blonde and girly.

Vagina

And Megan revealed: "I went to the extent of wearing a golden vagina necklace round my neck to make it clear that I do like vagina."

Megan teased the podcast on her Instagram story, promising to discuss "exploring your sexuality, cognitive dissonance, break-ups, learning to love yourself and how to be a good ally".

In June 2019, Megan came out publicly as bisexual and revealed that she "felt a deeper connection with women"

but has felt pressure over the years to have sex with men.

She dated Chelcee Grimes and Demi Sims before recently dating *TOWIE*'s James Lock. The pair soon split up.

Despite her candour over her sexuality, Meg admitted to Florence that she was forced to prove her attraction to women to others.

She said: "As a bi person, you have to prove it. If you're stereotypically a girly girl and quite fem, you have to prove that you like girls."

"I went to the extent of wearing a golden vagina necklace round my neck to make it clear that I do like vagina."

Help NASA turn poo into gold

NASA is asking for help in transforming astronaut poo into "space gold".

The space agency is looking to work out how to recycle human waste, as they are unsure how to create the space gold. NASA believes that doing so will enable astronauts to go on longer missions without being restricted by the amount of resources they need.

The US agency have launched a crowdsourcing challenge called Waste to Base Materials Challenge: Sustainable Reprocessing in Space.

Woman offered shopper £370k for her baby

A WOMAN tried to buy a baby... at a supermarket!

Rebecca Taylor was arrested after a bizarre encounter inside a Walmart store, where she is accused of offering another shopper £370,000 to buy the woman's baby.

The 49-year-old (above) was charged with sale or purchase of a child.

The alleged incident occurred at a store in Crockett, Texas.

The mother, who was with her baby and one-year-old, told cops that the woman commented on her son's blond hair and blue eyes and asked how much he costs.

The mother laughed off the comment, but the woman allegedly said she had \$250,000 in her car.

When the mother left the store, the woman was allegedly waiting in the car park and screamed at her that the offer was now \$500,000 (£370,000).

A MAN has been arrested after a flasher was reportedly spotted on a canal towpath near a Costa Coffee branch.

Officers say the man was allegedly exposing himself towards the branch.

A 39-year-old man from Slough was arrested on suspicion of indecent exposure.

LADY GAGA & SALMA'S SECRET LESBIAN SEX

HOT BOD: Gaga in *A Star Is Born* and (right) in *House of Gucci*

BUSTY BEAUTY: Hayek in *Frida* and (right) in *House of Gucci*

FANS would have gone GAGA over this sex scene.

House Of Gucci star Lady Gaga revealed that the crime drama's bosses cut a steamy LESBIAN sex scene involving the pop icon and co-star Salma Hayek.

The Grammy winner, 35, dropped the bombshell during a panel discussion. "There is a whole side of this film that you did not see," divulged Gaga, who

By GRACE HOOPER

plays Patrizia Reggiani, a real-life swindler who was convicted of conspiring to kill her husband, Maurizio Gucci (Adam Driver).

The *Poker Face* singer claimed the unused footage depicted Patrizia developing a "sexual relationship with Giuseppina Aurieemma", played by Hayek, 55, who was also present on the interview panel.

"I remember being on set

with Selma and going, 'So, after Maurizio dies, maybe it gets hot,'" recalled the New York native.

And Hayek responded: "You think she's kidding."

But while the on-screen fling never made the crime drama film, the *A Star Is Born* actress hinted that it could be included in the "director's cut".

Gaga has also spoken about having a psychiatric nurse on set for part of filming.

"I sort of felt like I had to. I felt that it was safer

for me," she told *Variety*. "That's because I was always Patrizia. I always spoke in my accent."

"And even if I was speaking about things that weren't related to the movie—I wasn't pretending that Maurizio was waiting for me downstairs—I was still living my life. I just lived it as her."

Fans are gutted that the lesbian scene was cut, especially after busty beauty Hayek revealed recently that her breasts have got BIGGER!

LAWYER 'STOLE £200K FROM TRUMP-SEX STORMY'

A LAWYER for Trump-shagger porn star Stormy Daniels stole more than £200,000 from his client, a court heard.

Prosecutors painted disgraced attorney Michael Avenatti as a serial liar and calculating thief at his criminal trial in Manhattan.

Avenatti is charged with one count of wire fraud and one count of aggravated identity theft. He says he is "completely innocent".

He faces a maximum

sentence of 22 years in prison if convicted on both counts.

Assistant US Attorney Andrew Rohrbach accused Avenatti of hatching a plan to siphon hundreds of thousands of dollars in book advance money from Daniels.

Daniels, whose real name is Stephanie Clifford, inked a book deal in 2018 after it emerged that she was paid \$130,000 in hush money to keep quiet about her alleged

affair with President Donald Trump.

The book's publisher agreed to pay Daniels \$800,000 in four instalments.

But two of those payments were swiped by Avenatti, Rohrbach alleged.

The lawyer forged Daniels' signature on a letter to her literary agent, requesting the advance payments be deposited in a bank account he controlled, Rohrbach said.

The fake letter worked, the feds allege, and two

CONFLICT: Daniels and Avenatti

payments totalling nearly \$300,000 went in the account and were spent by Avenatti. Avenatti lied to Daniels when she asked him about the missing funds, Rohrbach told the court.

GoT dwarf slams Snow White show

CELEBRITY dwarf Peter Dinklage has blasted a new live-action production of *Snow White And The Seven Dwarves*.

The *Game Of Thrones* star (above) called for people to "take a step" back with certain projects.

Speaking on Marc Maron's WTF podcast, he said: "No offence to anything but I was a little taken aback by (the fact) they were very proud to cast a Latino actress as Snow White, but you're still telling the story of Snow White And The Seven Dwarves."

"They were so proud of that, and all love and respect to the actress and the people who thought they were doing the right thing, but I'm just like 'what are you doing?'"

"Take a step back and look at what you're doing there. It makes no sense to me."

He continued: "You can be progressive in one way but you're still making that f**king backwards story of the seven dwarves living in the cave."

"What the f**k are you doing man, have I done nothing to advance the cause from my soapbox?"

Activist awarded £230k compo over spy cop romance

AN environmental activist who was deceived into a near two-year relationship with an undercover cop has been awarded almost £230,000 compensation after winning a landmark tribunal case against the Metropolitan Police for breaches of her human rights.

Kate Wilson, 41, began a relationship with Mark Stone shortly after first meeting him in 2003 and had a "whirlwind romance" before they split amicably in 2005, when she moved to Spain.

In 2010, Ms Wilson found out he was a married police officer called Mark Kennedy, who had been sent to spy on activists as part of the Met's National Public Order Intelligence Unit.

NOW DICK'S GOING TO SHAFT BORIS

Net closes as Met finally probe Number 10 parties

By COLIN HURST news@sundaysport.co.uk

SCOTLAND Yard chief Dame Cressida Dick defended her force's handling of Downing Street party claims as she confirmed an investigation has finally been launched.

The Met has come under intense political and public pressure to explain how the gatherings were able to take place at a site with a heavy police presence.

Dame Cressida said the officers on duty were there to provide "protective security" but refused to be drawn on "anything they may have seen or heard".

She announced that the force was investigating "a number of events" that had taken place in Downing Street and Whitehall over the last two years in relation to potential breaches of COVID-19 regulations.

At a session of the London Assembly's Police and Crime Committee, Dame Cressida said there were clear guidelines on when allegations of past breaches would be investigated.

Tickets

They were only for "the most serious and flagrant type of breach" where there was evidence and three criteria were met.

Those three factors are: evidence that those involved "knew, or ought to have known that what they were doing was an offence", where not investigating "would significantly undermine the legitimacy of the law" and "where there was little ambiguity around the absence of any reasonable defence".

"So in those cases, where those criteria were met, the guidelines suggested that we

should potentially investigate further and end up giving people tickets," Dame Cressida said.

"The fact that we are now investigating does not, of course, mean that fixed penalty notices will necessarily be issued in every instance and to every person involved."

Transport secretary Grant Shapps said a Number 10 gathering with birthday cake in the cabinet room was not a party.

"The Prime Minister clearly didn't organise to be given a cake," Shapps told Sky News.

PARTY TIME? Boris got support from Grant Shapps (below)

But he suggested it was "unwise" for the Prime Minister to have been given a cake at the gathering of staff and said he shares "the sense of unease about all of this".

How about a Brit of that ass!

SHE is currently enjoying a sunshine break in Hawaii with her 27-year-old fiancé Sam Asghari.

And Britney Spears showed off her toned physique in a yellow and white bikini as she relaxed under the rays. The singer, 40, took to Instagram to share a slew of snaps showing off her incredible figure, yet admitted she wasn't completely happy with the way she looks as she hates her 'horrible' new hair after dying it purple.

One fan, from Britney's home state of Mississippi, said: "I wouldn't be done gone looking at her hair while I had my tongue in that sweet li'l Dixie ass, no sreee."

HOLIDAY BOOKINGS TAKE OFF

HOLIDAY bookings have surged, with "notable increases" in trips planned for February half-term and Easter ahead of COVID travel tests being scrapped.

Jet2 said bookings had increased by 30% on last week after the announcement on Monday that rules would be relaxed for people arriving in England or Scotland.

The rule changes, which come into effect on February 11 at 4am, mean fully-vaccinated people arriving in

those countries from abroad do not need to take COVID tests.

Steve Heapy, chief executive of Jet2, said the removal of testing was a "game-changer" for the badly hit travel industry.

"We have seen a notable increase in demand for holidays and flights across all seasons, particularly February half term, the Easter holidays and Summer 22," he said.

Jet2 has planned a larger summer holiday package than it had in 2019.

Maxwell learns Russian in jail 'to keep sanity'

CONVICTED child sex trafficker Ghislaine Maxwell is learning Russian behind bars.

The 60-year-old disgraced British socialite, whose lawyers launched an appeal for a retrial last week, is fluent in French, Italian and Spanish but is studying Russian 'to maintain her sanity'.

Maxwell (above), who was found guilty last month of five counts of child sex trafficking and faces up to 65 years in jail when she is sentenced in June, is in solitary confinement at New York's Metropolitan Detention Centre.

She is on suicide watch, allowed only paper clothing and is not allowed books.

The prison governor lets her use a laptop for a few hours a day to learn Russian using a CD language course.

A source said: "Studying is helping maintain her sanity."

Maxwell was convicted of recruiting girls for paedophile financier Jeffrey Epstein, who killed himself in jail in 2019.

McDonald's worker shot after bust-up over price of fries

A WOMAN shot a McDonald's employee in a row over CHIPS!

Terika Clay, 30, argued with the victim, who was working the drive-thru window, over the price of the French fries.

Clay then threatened to shoot the worker, court documents said.

When the employee went on break and left the restaurant, Clay was waiting.

Clay confronted the worker, then struck and shot the victim.

The incident was captured on surveillance cameras, according to Normandy police.

The victim was treated in hospital for a minor wound and was later released.

Clay, of St. Louis, Missouri, was charged with first-degree assault and armed criminal action.

The former *Love Island* contestant, 23, flaunted her more than ample assets in a busty black sports bra by EGO, which she teamed with a matching pair of leggings.

The form-fitting two-piece showcased her washboard abs and toned frame, as she posed up a storm for the camera during the outdoor photoshoot.

Lucie's sports bra featured sultry cut-out sections and a halter-neck style.

Her matching leggings featured semi-sheer panelling, highlighting her toned legs, and the surfer wore her bright blonde locks in natural beachy waves.

New row over China up-arse COVID tests

SINISTER China has brought back its "undignified" anal COVID swabs just two weeks before the Beijing Winter Olympics begin.

The godless Communist regime claims the virus test, which involves inserting a two-inch long saline-soaked swab up a patient's bum and rotating it, is more accurate than other on-the-spot virus tests.

However, the prospect of foreign visitors being swabbed up the bum has sparked controversy, as it's believed the procedure will be used to humiliate foreigners, a favourite hobby of warped Chinese Communists.

The US State Department slammed the tests as "undignified".

abs, toned frames, matching leggings and "semi-sheer panelling" were the last things on readers' minds.

The notoriously sexist Mail readers used the photos as an excuse to treat respected influencer Lucie as some kind of online sex object!

Allotment Dave from Derby salivated: "I want to taste her nachos – hopefully nice and smooth".

Another reader called Boss Hog 99 simply

stated: "Nice knockers". Mr 28 commented: "I would rail her into next week", suggesting that Mr 28 wanted to insert his erect penis into Lucie's vagina and thrust with vigour.

And a Cambridgeshire reader slavered: "What I'd give to try and get between those!!!"

Last night a pal of the star said: "I remember when the Mail was a respectable newspaper, serving up shock horror for the middle classes."

"Now it just seems to be an organ for drooling perverts and suchlike."

FOR millions of people, Amanda Holden is the woman who unforgivably broke the heart of national treasure Les Dennis after an affair with Boon star Neil Morrissey...

But Amanda does still have fans and many were wowed last week by a bizarre performance in her garage.

The 50-year-old was prepping for *Britain's Got Talent* as she revealed her 'hidden skill'.

She entered the garage wearing a grey dressing gown, sunglasses and a pink beanie.

She could be seen miming Celine Dion's ballad *It's All Coming Back To Me Now* with her Dyson vacuum.

But during the crescendo, Amanda dropped her dressing gown to reveal a black lace bodysuit and thigh-high patent leather boots.

She captioned the Instagram post: "My version of #garage music, just an average #Saturday"

But Amanda is not the only one to look good in kinky boots. Here are a few more...

Emma: Nude scene was hardest thing I've ever had to do

EMMA Thompson's naked scene in her new film about an older woman hiring a gigolo was "probably the hardest thing I've ever had to do", she said.

The Oscar-winning actress, 62, stars in *Good Luck To You, Leo Grande* as a repressed former schoolteacher who pays a handsome male escort for the sexual adventures she regrets having shunned as a younger woman.

The heartfelt comedy, which is set almost entirely in a hotel room and addresses the ethics of sex work and taboos surrounding motherhood and ageing, sees Thompson tackle several intimate and nude scenes.

"It's very challenging to be nude at 62," said Thompson (*above*) at the Sundance film festival.

"I don't think I could've done it before the age that I am," she told an online panel.

"And yet, of course the age that I am makes it extremely challenging because we aren't used to seeing untreated bodies on the screen."

Nut shat in sock and spread it on walls and bunk

A COP watched in horror as a detainee SHIT into a SOCK before swinging it around his prison cell.

According to Torbay, Devon, Custody Sergeant Tim Perrin, the incident saw the detainee smear faeces over the walls of the cell, as well as the bunk and intercom.

Speaking on Twitter, Sgt Perrin said: "Seeing a detainee defecate into his sock, then swing the sock about his cell before spreading the contents over the walls, bunk, intercom etc is never a great way to enjoy your evening refs."

Fellow Twitter users were quick to share their disbelief.

One person said: "That's horrendous. I hope that the little [...] has to clean up their own mess!"

Another advised: "Call up fire, lower the hatch and hose the cell down."

Dakota laughs off her wardrobe malfunction

By GRACE HOOPER news@sundaysport.co.uk

DAKOTA Johnson joked about her X-rated nude scenes in films when she laughed off a near-wardrobe malfunction.

During an appearance on *The Late Late Show* with telly twat James Corden, the host looked uncomfortable as the actress tried to sit down in her red mini-dress without exposing herself.

"Are you okay? Are you alright? Do you want my jacket?" Corden asked as she covered her upper thigh with her hands.

Johnson assured him that she was "okay" before joking: "It's nothing nobody hasn't already seen."

The 32-year-old rose to fame with her role as Anastasia Steele in the 2015 film *Fifty Shades of Grey*, an adaptation of E L James' 2011 best-selling mummy porn book of the same name.

Jamie Dornan starred as her love interest, Christian Grey, in the movie.

The film and its two sequels, released in 2017 and 2018, featured

FAMILIAR SIGHT:

numerous sex scenes between the two actors.

It's not the first time Johnson has referenced her nude scenes in films.

In 2016, she suffered a wardrobe malfunction during an awards show when a strap on her top broke.

"It's not like nobody here hasn't already seen my boobs," quipped the actress at the time.

Johnson, who recently starred in Maggie Gyllenhaal's directorial debut *The Lost Daughter*, told W Magazine earlier this month that she sometimes found shooting nude scenes "difficult".

Teacher slams kids as 'utter morons'

A TEACHER was placed on leave after she was caught on video calling her students "complete and utter morons".

"I have never in my life dealt with kids that are so awful that, if they fell into a river, I would let them float away," the first-year teacher at Harry Wright Junior High School in Richmond, Texas, says in the video.

"If I have to keep dealing with kids that are complete and utter morons, I'm done. I'm literally done."

"I want to be fired at this point. I literally am going to hurt myself if I have to keep coming here."

School bosses placed the teacher on leave the day after being made aware of her comments.

KYM: I'M TERRIFIED ABOUT RACY SCENE

KYM Marsh has spoken of her terror at stripping off on stage for a raunchy scene as part of a new *Fatal Attraction* production.

The former *Coronation Street* actress, 45, plays 'bunny boiler' Alex Forrest, a role made famous by Glenn Close in the 1987 film *Fatal Attraction*, who seeks revenge on her married former lover Dan Gallagher.

And Kym (below) says she's "terrified" at the prospect of performing steamy scenes with Oliver Farnworth, 39, another ex-*Corrie* cast member, in front of the audience.

She said: "Oh I'm terrified, absolutely terrified."

"There is one particularly racy scene and I must admit that's a bit daunting."

"I've never had to do intimate scenes like that, so this is all a very new thing for me."

"I just need to feel confident doing it, so I'm working hard at the gym to try to get in shape."

Guess what? Grandfather is RACIST!

A UNIVERSITY has banned a load of words because of lunatic political correctness.

The University of Washington Information Technology department released an "inclusive language guide" that lists "problematic words" that are "racist", "sexist", "ageist" or "homophobic".

Words such as "grandfather", "lame", "housekeeping", "ninja" and "minority" are considered "problematic words".

The word "lame" is considered problematic because it's "ableist".

The term "minority" implies a "less than" attitude toward a certain community.

"Housekeeping" should be avoided in the IT industry because it can "feel gendered".

And "grandfather" is banned because so-called Grandfather Clauses were used by lawmakers in the Deep South to ban black people from voting in the 19th century.

DID you know there was a National Spouses Day?

Us neither... Apparently, it's an event – which falls today – that gives couples a chance to spoil each other, to take time out of their busy schedules, and to tend to their love.

Ah, we see! It's a chance for businesses to sell Valentine's Day tat and expensive shite to the gullible public!

To be fair, sometimes married couples need reminders to leave the hamster wheel that is everyday life, especially if their relationship has matured into that stage best described as "quiet mutual hatred".

January 26, however, is the remedy to all couples' woes. Though the day is named National Spouses Day and seemingly refers to married couples only, nowadays this day can also be linked to many

people who are not married.

The origin of National Spouses Day is unknown, but it is assumed that a married person came up with the idea.

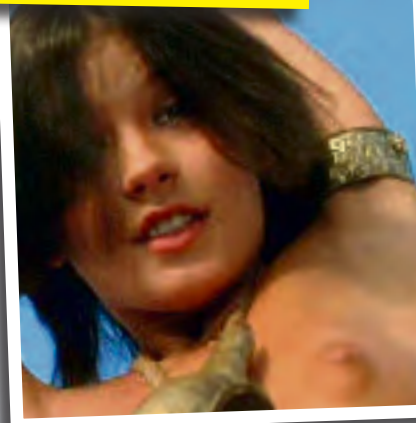

Some say it originated from the establishment of Military Spouses Day, which was created in the USA in 1984 but only started getting popular around the millennium.

But, whether you're married or not, you can enjoy some famous wives with their tits out...

THE

BODIES IN THE BARRELS SLAYER

SADISTIC John Robinson wasn't just a member of a secret sex cult, he was the organisation's violent "slave master".

Robinson's role was to lure unwitting female victims to illicit gatherings, where other associates could rape them.

And, once the torture and slaughter was over, Robinson simply disposed of their bodies in crude metal barrels...

DEATH TRAPS:
The women were left to rot in barrels

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

FOR vulnerable and lonely women, it was simply an indecent proposal they could not refuse.

John Robinson posed as a millionaire on websites devoted to submissive sex, saying he was looking for a live-in "mistress", and he'd pay her £50,000-a-year.

One lady who answered the call in 1999 was 27-year-old care home nurse Suzette Trouten, the pretty owner of two beloved dogs, who planned to use the money to finish her university degree.

Robinson even promised to put her up in her own apartment in Kansas City.

By **KOURTNEY KENNEDY**
news@sundaysport.co.uk

But Suzette's dream of a life of riches soon became a living nightmare.

Within a year she was dead, struck on the head by a large hammer, a blow so fierce it caused the bone to fracture and pierce the brain.

Suzette was found, like the other victims, upside down in a 55-gallon metal barrel near a tool shed.

She was naked and immersed in about 14 inches of fluid – the result of her own decomposition.

When Robinson was arrested in June 2000, his reputation as a respectable family man and

business entrepreneur was shattered.

Instead, he was cast as a sinister serial killer responsible for at least eight murders.

The Robinson family even issued a statement as this apparently loving husband and father was taken into custody.

They wrote: "We have never seen any behaviour that would have led us to believe that anything we are now hearing could be possible. While we do not discount the information that has and continues to come to light, we do not know the person whom we have read and heard about on TV."

"John Robinson is a loving and caring husband and father. We wait with each of you for the cloud of allegations and innuendo to clear, revealing, at last, the facts."

But for Stephen Haymes, one of the police officers who helped bring the murderer to justice, Robinson is simply an expert in deceit.

Haymes said: "I've dealt with a wide variety of characters, but never anyone like Robinson."

Chilling

"He's just chilling. There are so many sides to him."

"There is the con man after money, there is the murderer, there is the sexual deviant and there is the cover-up artist... the lies, endless lies."

Robinson, now 73, grew up in Cicero, Illinois, the middle child of five.

A success at school and a keen scout, he even flew to London with his troupe and performed on stage at

the Royal Palladium in front of Queen Elizabeth II.

He was praised for his "scholastic ability, scouting experience, poise and engaging smile".

At the age of 21 he studied medical X-ray technology, got a job as a lab technician and married Nancy Jo Lynch.

On the surface, he was enjoying the perfect life. But in reality, the trouble simmered.

In 1967, he was found guilty of embezzling £25,000 from his place of work by forging cheques.

He avoided jail but was placed on probation for three years.

He went on to get a job with Mobil Oil, only to be fired for stealing £5,000 worth of postage stamps from them.

Charged with theft, he moved to Chicago, where he embezzled a further £4,000.

He was jailed but emerged after just a few weeks and was released from his probation in 1974, two years early.

By 1976 he'd been fined £2,500 by a federal judge for yet more counts of fraud.

Robinson was now a pathological thief, who was somehow avoiding justice.

By the age of 34, Robinson was the father of four children and had moved into a plush nine-bedroom mansion in Kansas, setting up a hydroponics company specialising in growing vegetables indoors.

But, while some of his neighbours found him affable and intelligent,

others worried about his "mean streak" and quick temper.

He was controlling and was often heard screaming at his wife and kids.

And little did those same neighbours know that Robinson had set up another company. One which he used as a front to lure girls to their death.

In 1984 he handed a job to Paula Godfrey, a 19-year-old who had just graduated from high school.

When she vanished, her parents called in police and a manhunt was launched.

When a letter seemingly written and signed by Paula arrived stating that she no longer wished to see her mum and dad, police abandoned their missing persons case.

But the note had been forged, and Paula is thought to have become Robinson's first murder victim.

Her body has never been found.

A few months later, Robinson's true personality started to take over.

Unbeknown to family and friends, he opened a brothel specialising in rough S&M sex.

He also became a leading member of a cult called the International

Council of Masters and began recruiting women to work there.

One was Lisa Stasi, a 19-year-old mum to a four-month-old girl, Tiffany.

Lisa had been taking refuge in a women's shelter, having been beaten by a former boyfriend.

Posing as a charity worker, Robinson offered her a steady job and a roof over her head.

Lisa was never seen again.

In a frantic phone call to her mother, Lisa had whispered "Here they come..." before the line went dead.

Adoption

Cruel Robinson then masqueraded as an "adoption agency" and "sold" Tiffany to a happy couple for £4,500.

By now he'd immersed himself into the BDSM scene and went looking for more female recruits while keeping various mistresses holed up at flats across Kansas City.

One witness, who testified in court, told how Robinson barged into her apartment, beat her across his knee, then inserted the barrel of his gun into her vagina.

He told her: "You've been a real bad girl. You need to learn a lesson. And if you don't shut up, I'll blow your brains out."

SCREAM TEEN'S CORPSE-BUM HORROR PLOT

FRIGHTENER:
Smith copied
Scream script

Loner held after attack on jogger

A TEENAGER arrested after he tried to kill a jogger was planning to keep the man's corpse in his closet and bum it up the arse.

Logan Smith, 18, tried to strangle the jogger but was overpowered by his victim, who detained him until cops arrived on the scene.

The troubled teen hatched his morbid plan after viewing the slasher movie *Scream* and had watched the jogger for six weeks.

Smith allegedly told cops he studied the jogger's exercise routine and running route, which went by the teenager's house in Cocoa, Florida. Smith had placed a rubber mallet, an aerosol deodorant can and a clothing robe belt between two parked cars in his driveway as he waited for his victim.

Fantasies

He allegedly planned to strangle him and drag him back to his home in a bedsheet.

Smith told police he planned to hit the victim with the mallet and impair his vision with the deodorant spray.

He further planned to place the victim's body into his closet, where the defendant stated no one would know, and he could

have the victim's body all to himself," the arrest report said.

"The defendant stated that he also planned to play with the victim to fulfil his sexual fantasies."

When he launched his attack, he "tossed the clothing robe belt over the victim's head until it was around the front area of the victim's neck."

However, the victim used his martial arts training to fight back against his attacker, whom he had never met, spoken to or even seen before.

The boyfriend of Smith's mother has described the teenager as a loner.

Smith faces charges of attempted murder.

HOUSE OF HORRORS:
The ranch where the barrels were found

Over the next few years, more and more women went missing, including Catherine Clappitt, 27, Sheila Faith, 45, and her daughter Debbie, 15, Izabela Lewicka, 21, Beverly Bonner, 49, and Suzette Trouten.

Robinson had become more and more violent in his sexual relations.

But everything changed in the spring of 2000 when a woman he met on the internet, known only as "Jeanne", went to the police.

She'd been keen on indulging her passion for kinky sex, but was left crying hysterically when Robinson grabbed her by the hair, flogged her across her breasts and back, raped her, and then took photographs of her nude body.

Within minutes of Jeanne's call to the cops, Robinson was arrested.

Armed with search warrants, police stormed

his ranch in La Cygne. They quickly discovered the bodies of Suzette and Izabela, rotting in barrels.

Hours later, at a lock-up over the border in Raymore, Missouri, police uncovered more barrels, crammed with the decaying corpses of Sheila and Debbie Faith and Beverly Bonner.

All of them had died from several blows to the head before being disposed of.

By March 2001, Robinson was standing in the dock charged with three counts of murder, the only slayings they had enough evidence to pin on him.

Dr Thomas Young, the chief Kansas City medical examiner, told the court: "When they opened those barrels... I've been around a lot of homicide scenes before and I've smelled pretty old, decayed

bodies, but they'd all been exposed to the open air. The bodies of these women had been locked in barrels, and, man, it was an extraordinarily vile stench... very uncomfortable."

In 2002, Robinson was sentenced to death in Kansas for the murders of Suzette and Izabela, and life imprisonment for killing Lisa Stasi, a sentence that reflected the fact she'd been murdered before Kansas reinstated the death penalty.

Slayings

A year later, in a different Missouri courtroom, Robinson admitted his guilt in the slayings of Catherine, Paula, Beverly, Sheila and Debbie.

Confronted with the testimony of 110

witnesses and some 500 pieces of evidence, Robinson showed virtually no emotion throughout his two trials.

Prosecutor Julie Stegnall told the jury: "The defendant cried just one time during his whole trial."

"He didn't cry when there was testimony about Lisa Stasi. He didn't cry when there was testimony about Izabela Lewicka's body being taken out of that barrel."

"He didn't cry when there was testimony about Suzette Trouten, when her family testified, when her body was taken out of that barrel."

"He didn't cry over Beverly Bonner, Sheila Faith or Debbie Faith."

"He only cried for

himself. That says it all. He doesn't care anything about anybody but himself."

"Manipulation and deceit, they go hand in hand with the defendant throughout these last 20 years."

One juror, Skip Skipper, said he would be forever haunted by the images of the dead women.

He winced: "The injuries were awful. It was like he took a hard-boiled egg and cracked it."

"I don't think I'll ever eat another hard-boiled egg."

"To think that their families thought they were being looked after, having the best time of their life."

"And there they were, out behind some shed, rotting in a barrel."

#HOT'N'HORNY

GORGEOUS Gemma Massey has a kinky confession...she was once the sexy filling in a man sandwich. The 32G glamour girl, from Tamworth, Staffs, said: "After a night out, my mate and his friend took me back and gave me a spit-roast. "Having a hard willy at each end was sensational! "It was such a thrill. I couldn't walk properly for three days afterwards. "They climaxed in my mouth and fanny at the same time, too, which was nice and made me come really hard."

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

Nanny NHS should go on a diet itself!

FOOD TO DIE FOR? Popular snack

THE sight of fat oafs scoffing sausage rolls while walking along the road – as though they couldn't possibly wait to get home before chowing down – makes my stomach churn.

No matter how many flaky pastry bits fall to rest on their rotund bellies.

Or the globs of sausage meat that get caught in their beards.

And that, of course, is just the women.

As a ludicrously thin bloke, who considers food something I need when I'm hungry rather than to continually graze upon throughout the day like a cow, it just seems absurd.

Then there's the excuses. The fats moan about being "big boned" or having "thyroid trouble", but as they're normally attempting to explain this through a mouthful of chocolate éclair, it's easy to dismiss. Truth is, most of them are just plain greedy. If they could snap their dinner plates in two to pour their chips-with-everything down into their gaping gullets, they would.

Vices

They are the human equivalent of seals snatching at fish lobbed at them at the zoo.

But as I also very much believe in freedom of choice, if you want to eat yourself into an early, heart-stricken grave, that's up to you.

Same with fags and booze. We all have our choices. And our vices.

One of the NHS's many, many vices is the comparatively new idea that not only is it there to remove saucepans from the heads of cartoon characters, it is also there to finger-wag us to death.

It's latest wheeze, advertised at

your expense on every TV channel, is its "NHS Food Scanner App".

It works by you opening your kitchen cupboards and scanning all the foodstuffs you have in there, and then telling you how awful they all are.

Worse still, it then suggests "healthy" alternatives.

So, out goes jam and in comes a smear of butterfly shit, or something.

My favoured late-night snack of "bacon-flavoured" (they mean "salty") Frazzles will no doubt be suggested to be replaced with dried split peas or celery stalks.

Yet, didn't we turn our noses up at all this bollocks years ago?

Glutton

Back in the days of a Labour government – black and white TV times, almost – there was a non-stop drip, drip, drip of this nanny state stuff and we rightly got fed up with it.

But since then the millennials have arrived among us and if there is anything whatsoever to cry about, they'll find it.

Red traffic lights are "too aggressive". Full stops in sentences are, too.

And you definitely can't call anyone "fat" even though, possessed of eyes and brain matter, you can see and work out for yourself what you're looking at.

What possesses the NHS – the nation's biggest glutton, with its never-ending hunger for our money to spend on stupid apps like the Food Scanner – to think it can think on our behalf?

Next time you see the NHS Food Scanner App ad, ask yourself how many fat doctors and nurses you've seen at your local hospital.

And wonder... have they ever considered downloading this crap themselves?

#MY SEX FANTASY

'I want a sexy lady and a fit fella at the same time!'

I'M straight - and I'm little a bit of a nymphomaniac so I very much love cock!

But recently I've been going through a phase of lusting after some girl-on-girl action.

I love watching lesbian porn. I'm transfixed by curvy girls with big boobs and peachy bums.

Watching women kiss really sensually turns me on so badly.

I've never gone further with a girl than a cheeky drunken snog at a party for a laugh.

A few times when I've had a few too many I've switched my Tinder profile to looking for

women and I've chatted with some real hotties.

So I think it's bound to happen and sooner rather than later!

My ultimate fantasy would be to have a steamy shower with another lady.

We'd be caressing each other's curves and rubbing our slippery, foamy breasts together.

I think about a girl going down on me and how good she'd be because she knows what feels good.

I've also thought about having a threesome... while I'm going down on a woman a guy is pounding me from behind...heaven - the best of both worlds!

No-mask Irishman showed his arse on New York flight

A 'SCARY' Irishman was busted for refusing to wear a mask on a New York-bound flight and showing his arse to flight attendants and fellow passengers, according to cops.

Shane McNerney, 29, faces up to 20 years behind bars on charges of interfering with a flight crew's duties and intentionally assaulting and intimidating a member of a flight crew during a Delta Air Lines flight from Dublin to John F Kennedy Airport.

McNerney allegedly refused "dozens of requests" from the flight crew to mask up and pulled down his pants and underwear, mooning passengers and flight staff.

He also raised his fists to the captain after placing his own hat on the pilot's head, declaring "Don't touch me," the court documents say.

McNerney (above), of Galway, Ireland, was admitted to hospital for psychological and medical evaluation after the flight landed.

He was released on bail pending his trial.

Mid-flight sleeper woke to find man rubbing her breast

A WOMAN asleep on a flight was stunned when she awoke to a man touching her breast.

The woman had drifted off on the flight from Las Vegas McCarran International Airport to Washington Dulles International Airport when she woke up to find Ivan Lopez leaning over her "repeatedly rubbing her right breast", according to court documents.

The woman yelled "get away from me".

Lopez then got up from his seat and moved to the back of the plane.

He allegedly admitted to a flight attendant that he had sexually assaulted the woman.

Lopez, 26, was charged with abusive sexual contact aboard an aircraft in flight.

He faces up to two years in prison if convicted.

WE WEREN'T SHAGGING... WE WERE COOKING CHILLI!

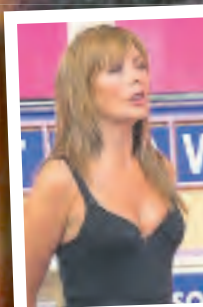

COSY: Pastor Smith and church worker

DIVORCED: Smith and ex-wife

Two from the top please, Carol!

CAROL Vorderman turned up the heat in plunging lacy lingerie for a very steamy hot tub selfie as she continued to relax at a luxury wellness retreat.

The former Countdown star has just returned from her stay at the Juicy Oasis in Portugal while she enjoys some well deserved time off.

The 61-year-old showed off the curves of her big busters in the Instagram snap.

A fan said: "She might be knocking on but I'd bang it like a drum and then ask if I could watch her shit, too."

A VICAR was caught half-naked with a married parishioner by stunned worshippers... only for the pair to claim they had stripped after spilling CHILLI!

Volunteers at the Venue Church in Chattanooga, Tennessee, paid a surprise visit to Pastor Tavner Smith at his house but discovered the vicar, wearing only his boxers, with a married church worker in a towel.

The unnamed woman was married to another worker at the church. The vicar divorced his wife last year.

Video circulating online is said to show the blonde woman, seen only from the rear, looking cosy with Smith at a local restaurant.

Dumb

Speaking of the chilli incident, an unnamed worshipper said: "I don't think none of us was that dumb."

"If she dropped chilli on her clothes, why are you in your boxers? Was y'all like throwing chilli at each other?"

Rumours of the pastor's alleged affair had been swirling for months.

Smith, who started Venue Church in a former Sam's Club warehouse in 2012, was well-respected and had made a good name for himself and his family.

Multiple people had

By SUZIE SHELTON
news@sundaysport.co.uk

credited the church with turning their lives around.

But Smith is said to have begun spending more time with the co-worker in 2020 and surprised worshippers by getting a tattoo and a piercing.

One church member said she spoke to the pastor and the church employee and they both denied having an affair.

Then she received a video from another church member that showed Smith and the female employee sitting together before appearing to go in for a kiss.

The pastor has since announced on Instagram that he would be taking a 'sabbatical' in order to "fill up, spend time with God and get some counselling".

THE WORLD FAMOUS AGONY Page

I'M a reasonably good-looking 28-year-old single bloke – I recently divorced my miserable wife – and I work in a factory with lots of women, many of whom are married.

I really fancy one of them, a 35-year-old attractive blonde with a fantastic figure, and she's always up for a laugh.

We spend a lot of time together, enjoying a bit of banter and often talking really dirty to each other, and I've reached the point where I'm gagging to give her one.

The other morning we were chatting at the vending machine and she told me she'd had a dream about me shagging her senseless in the store room.

But I'm scared of asking her for sex in case she was only joking and knocks me back – before telling all the other women.

What do you reckon?

GS, *Lancs*

Sam says...

SOUNDS to me like she'd be up for it, so go ahead and take the plunge.

I'M an 18-year-old girl at college. I'm blonde, 5ft 8in tall with a trim figure and big boobs and I've had loads of snogs with lads my age but they all seem so immature.

One of my lecturers is really hot and a few weeks ago I lost my virginity to him after he offered me private tuition.

He spent the evening at his flat carefully going through my revision notes but ended up leading me upstairs and making love to me in his bed.

I'm not complaining because he was such a caring lover but I don't think I should go round again.

I thought he genuinely wanted to help me, but my pal says the lecturer has a reputation for this sort of thing and only wanted to get in my knickers.

Who is right?

T.B. Nottingham

Sam says...

I'LL give it to you straight, don't be so naive!

Tall man banged me long and hard on car park table

I RECENTLY started a new job and there is a tall, fit bloke works in the accounts office there.

Last week we had a party in a local pub as we all celebrated a

So I went along with one of the

So I went along with one of the girls I sit with. Me and my pal were soon very tipsy and decided to tease the tall man.

He was up for a bit of fun, so we got him outside in the car park, under the pretext of just having a smoke.

There was no-one else around so I was quickly on him, kissing him with tongues and undoing his silk shirt.

Then my pal unzipped his trousers and let his massive cock spring out. It was eight inches

long and I knelt down and started licking and sucking it.

My friend then lifted her skirt and pulled her knickers aside so that he could finger her.

I sat on a wooden table and he shafted me roughly until I orgasmed.

I sucked him hard again so that he could bang my pal.

The problem is that the next day my mate told all the other girls at work what we'd done with the tall man.

Now I'm terrified we'll both get the sack. What do you think?

DK, Weymouth

Sam says...

THAT'S the risk you run by being too frisky at office parties. Just don't do it again!

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week SAM TYE has been reading through your letters. And here's her advice for you...

Amazing lover has a pants obsession

Dear Sam,

I AM an attractive divorcee in my early 30s. Since my husband left I hardly go out, but a friend encouraged me to socialise more.

It was on a night at my local social club that I met my man. We hit it off from the beginning, although I was a bit cautious when it came to sex.

But after a lovely dinner and a few drinks, I invited him back to my place.

His foreplay was wonderful. He teased me with his fingers and then his agile tongue played against my clitoris until I was begging him to enter me.

Suspicious

He thrust deeply inside me, making me squeal with delight, and I watched with ever increasing ecstasy his big cock sliding in and out of me.

And when we reached orgasm he was so big and hard I felt the whole of me being filled.

Afterwards we lay in each other's arms, then he apologised for not being able to stay.

I was a bit suspicious, thinking maybe he was married.

When I cleared up the clothes I'd left

behind, I was puzzled when I couldn't find my panties but decided it was nothing to worry about.

The next time he came round we took things more leisurely, undressing each other in the dim light of the bedside lamp.

I was already naked as I came to lower his trousers. Underneath, to my shock, he was wearing my knickers, stretched to the limit by the most enormous erection.

He laughed and said he wore them to remind him of me, but again I was left feeling slightly uneasy.

That soon passed as he again softened me up with his amazing foreplay.

He gently nibbled on my erect nipples before easing his tongue all the way down my body to tease my aching fanny.

Finally, he raised my legs high in the air and thrust hard into me.

We had the most wonderful sex and

he brought me to the brink of climax over and over.

A few days later we met again and this time I pressed him to show me his home.

He seemed a bit reticent but he agreed. He lives in a very well-kept apartment which he bought after splitting with his own wife.

In his bedroom I could not help but notice a partly open drawer and inside were about 20 pairs of silky smalls.

When I confronted him, he admitted that he liked to keep and wear mementos of past lovers.

Now I feel I could be discarded just as easily. Am I worrying too much?

SD, Sussex

Sam says...

I WOULDN'T worry. He obviously loves his women and just has a harmless little fetish.

Dear Sam,

I'M a plumber and I've lost count of the women who've offered me sex in their homes.

For some reason they seem obsessed with my tools and can't wait to get hold of my plunger.

One woman asked to be taken from behind with a loo seat over her head and another took an unhealthy interest in a U-bend.

But now I'm a little bit more choosy about whose waterworks I check.

Generally, birds in posh houses are the most horny. They often have a lot of time on their hands as their husbands work long hours.

I remember installing a bath for a woman in a select area of town.

Within minutes she reached into my sack and started playing with my pipe.

I took the gorgeous blonde from behind, had my dick sucked, and then watched her masturbate with the plunger.

On another occasion I went to a house to plumb in a washer when I was greeted by two sexy brunettes in their 30s.

It wasn't long before I was shagging one doggy-style while the other licked her mate out.

My job is the best. Do you agree?

WF, Dorset

Sam says...

YES. But be careful you don't wear out that plunger!

Manager's win bonus is sex with the team

Dear Sam,

A MATE of my wife has set up a football team. Because I'm a former semi-pro, she asked if I would manage them.

I agreed, but to be honest I wasn't looking forward to it. I thought they'd be a bunch of ugly lesbians.

I couldn't have been more wrong. When I got to the first training session, I saw all these fit birds.

After our first match I gave my strikers, two gorgeous 18-year-old blondes, a lift.

It wasn't long before one of them was sucking my cock while the other took her clothes off. I ended up shagging both of them.

Since then I've scored with most of the team. The centre-half loves anal sex, while the right winger loves to be tied up and taken from behind.

Porn

The skipper invites me round to talk tactics. This usually involves us watching porn videos of her having sex with her husband and his mates.

She then gets changed into her football kit, complete with shin pads and boots, and gives me a blowjob.

Then she takes her kit off, but leaves her boots on, and rides me.

The only problem is that my wife now wants to join the team. Obviously, I don't want her finding out about my 'team bonding' sessions.

What should I do?

KD, Newcastle

Sam says...

TELL your wife her idea is offside.

#HOT 'N' HORNY

SEXY Sienna Brown has revealed she has an X-rated BUCKET LIST of kinky places she'd love to BONK in!

The busty glamour babe, who boasts a 34EE rack, has ticked off quite a few already – including in a library and on a Ferris wheel.

The Brighton beauty gets a thrill from risky sex, where she could get caught out.

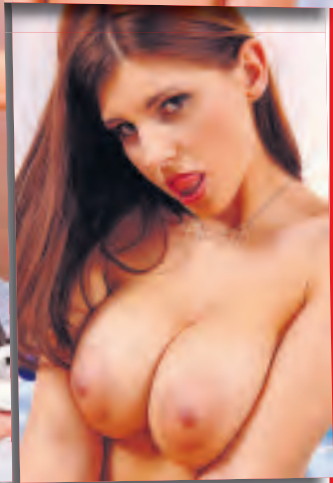

She said: "I've got down and dirty in some crazy places – me and my ex once got naughty on a Ferris wheel on holiday in Spain!"

"Shagging in a library was one I've always wanted to tick off, too."

"I genuinely had to look something up in the quiet reference area at the back and then the bloke I was with at the time gave me a cheeky look and we got carried away. It was so hard to stay quiet!"

BACK:
Topley

Reece so keen to stay in Top form for Eoin

CRICKET By BOB TAYLOR

REECE Topley says he's relishing his second chance to play for England.

The big seam bowler has been plagued by injuries since making his debut for the Three Lions way back in 2015.

He was just 21 then but has managed only 20 international appearances. He came back from three years off to play a blinder in the second T20 against the West Indies.

He looks certain to play again tonight and should keep his place ahead of Saqib Mahmood who was smashed for 45 off his four overs.

Topley hopes he can stay fit and be part of the England side for this series and the T20 World Cup later this year.

The Surrey left-armer said: "I've probably had it slightly differently than other people that play international cricket, in terms of the journey that I've had."

"I think my perspective is quite unique and last night, I just embraced all the emotion after the game, and all the messages that came through."

"I embraced it all, but then I'm very good at parking it."

"This morning, it's a new day and it's all about recovering and focusing on the third T20."

"I don't really get too caught up in it. I'm lucky to be playing and I really enjoyed it at the end of the day."

SKIPPER: Morgan

Almost having this second opportunity just makes me value it all a lot more."

Topley can be an asset to skipper Eoin Morgan because he's just happy to be on the field.

He said: "Even when I've been injured so much, you'd almost bite someone's hand off to play in a T20 and bowl four overs for 40-something."

"It's almost like, at least I'm out there. So then those bad days it's like, it won't be the last bad day I have."

"It's not like I haven't got this competitive instinct, it's just that I'm very realistic about things now, and very level-headed."

"That has boded well for me since coming back, because those pressure scenarios, I just embrace them."

"I almost feel like it's normal to be nervous and it's exciting because it's a game on the line for your country."

TIRED CALLUM BACK ON HIGH

Chelsea are flying again says Blues winger

By PAUL THOMAS

CALLUM Hudson-Odoi says Chelsea have got their top-four mojo back after beating Spurs - again.

The Blues saw off their London rivals for the fourth time this season with a pretty comfortable 2-0 success at Stamford Bridge.

Both teams are still in the FA Cup so they could yet meet for a fifth time.

But it was important for Chelsea not to drop any more points in the Premier League.

Recent results have seen them beaten by Man City and cop painful draws against both Everton and Brighton.

They are ten points behind the champions and one adrift of Liverpool but have played more games than those two.

And Hudson-Odoi knows there have been some ups and down for Thomas Tuchel's men lately.

He said: "We pressed as a team well against Spurs."

"We opened the game up well as a team, we kept trying to find gaps and when we did it was good for us."

"It was a big game and big rivalry, so we're delighted to have taken the three points."

Tuchel has been moaning about playing so many games and that has had an impact on the players.

Hudson-Odoi seems to agree with his boss.

He said: "It's been difficult. We've had to rest less and play more."

"We know games come thick and fast and they are very challenging. Sometimes

the rest hasn't been enough for us but at the same time, we have to get on with it and play every game as well as we can do."

The Premier League takes a break now for a couple of weeks but the games will still be coming thick and fast for the Blues.

Packed

Tuchel has given the players a full week off before the FA Cup clash with Plymouth. That is followed quickly by the Club World Cup in Abu Dhabi.

Then the Champions League kicks off again before the Carabao Cup final at the end of a packed February.

Chelsea played 19 games in 61 days heading into the break.

Tuchel says he's happy to give his knackered stars

some downtime in the middle of the season.

He said: "Not the injured players or the players coming back from injury but everybody else will be off."

"We tell them to be careful when travelling abroad. All of them are fully aware of the situation."

"Sure, there will be some recommendations but in the end, they are free citizens."

Two Chelsea stars will not be putting their feet up in the next week or so.

Thiago Silva is the senior man in the squad at 37 but he's been called up by Brazil for World Cup qualifiers and will be heading to South America.

It's a similar story for USA international Christian Pulisic who is facing three crucial matches for his country.

NEWCASTLE STRUGGLE TO SIGN NEW STARS

Howe do we get Lingard to sign for Toon?

NEW FACES:
Howe needs to make more signings for Newcastle

By MARK NAYLOR

NEWCASTLE boss Eddie Howe fears a frustrating end to the January window.

The Toon boss had a shopping list a mile long coming into the month but has struggled to get deals over the line.

He has brought in Kieran Trippier from Atletico Madrid and Burnley hitman Chris Wood.

But Howe knows it will take a lot more than that to keep the Toon in the Premier League.

Jesse Lingard is the man he wants to pull the strings in midfield.

Drop

It has emerged that talks have been going on for weeks over the Manchester United schemer.

Newcastle have reportedly offered Ralf Rangnick £4m just to get Lingard on loan until the end of the season.

Given that you could probably buy the 29-year-old for less than £20m that seems a lot.

But Newcastle would pay even more than the £4m should Lingard help them to beat the dreaded drop.

Lingard has been stopped from signing for West Ham where he was so successful last season.

That's because the Hammers

EDDIE DESPERATE FOR DEAL

are part of the fight for a top-four spot with United. Lingard is with the rest of the Red Devils squad training in the United Arab Emirates.

And Rangnick is a fan – even though he's rarely started this season.

He said: "He's a really good player, I see that in every training session."

"For me it's normal that other clubs like, for example, Newcastle show interest in him."

Lingard is thought to be keen as he's desperate to

win his place back in the England squad in time for the World Cup later this year.

He knows that isn't going to happen while he's sat in the Old Trafford stands.

Lingard wants a loan because he will assess his options for a transfer at the end of this season.

Howe would love to bring him in.

He said: "I've always said from day one I back the players we have, regardless of who we recruit."

"But looking at Chris

Wood and Kieran Trippier, I thought they have been really magnificent for the team.

"They have made huge contributions and that's the power."

"If you can get it right I think you can elevate the team and help the team to greater heights."

"We're still looking to do that, but I do back the players that we have here already."

Along with Lingard, Howe wants to improve his options at central defence.

Stopper

Club chief Amanda Staveley is having talks with its Saudi backers this week in a bid to release funds for a late, late shopping spree.

Diego Carlos is the clear target with the Sevilla stopper saying he fancies a move to the Premier League.

The Magpies have offered around £30m for the Brazilian but he has a ridiculous release fee of £80m.

Sevilla boss Julen Lopetegui has hinted that £50m would get the deal done.

That seems a lot to pay for a player who needs to hit the ground running but it shows how desperate Newcastle are to beef up their squad.

TOFFEES ON BRINK OF DITCHING BIG DUNC

By ANDY MILLOM

VITOR Pereira has emerged as owner Farhad Moshiri's first choice to take over as Everton manager.

That's despite the Portuguese reportedly having been overlooked by the club at least twice before.

Some reports in Europe suggest it's a done deal with the bookies cutting his price to just 1/3. That would spell the end of caretaker boss Duncan Ferguson's spell in charge.

The 53-year-old seems a slightly left-field choice to take over. Some fans are concerned about bringing in a boss who has been in charge of a whopping seven clubs in the past decade.

He led Shanghai SIPG to the Chinese Super League in 2018 and took two titles with Porto in his native land and one with Olympiacos in Greece.

But he lasted less than six months in charge of Turkish giants Fenerbahce the second time around and it was a similar story when he was with German side 1860 Munich.

Contract

He seems a strange choice to throw into a Premier League relegation dogfight with an Everton fanbase that wants Duncan Ferguson to get a chance or Wayne Rooney to be brought back.

It's rumoured that Pereira may be offered a contract until the end of the season only but with the option of an extra year.

Gary Neville thinks Everton should pick up the phone and speak to his former Man United team-mate Rooney.

He has been doing a good job at Derby County and his arrival would give the Toffees fans a massive boost.

Neville said: "I think he'd jump at the chance, obviously. Wayne being

**PRESSURE:** Arteta

asked to be Everton manager, growing up as a fan, a kid there, going back at the end of his career, I don't think it'd take five minutes for him to go back.

He'd have the passion, he's obviously got a grounding at Derby and he's working in difficult circumstances, so he's getting a good experience.

"But he'd jump at the chance, of course."

"I don't know what they want, or who they want, or how they're going to play it at this moment in time the Everton board because you can't see a plan."

HARD SELL FOR SPURS

Tottenham want Alli, Lo Celso and Ndombele out

TOTTENHAM are trying to offload three stars before the transfer window slams shut on Monday night.

Dele Alli, Giovanni Lo Celso and Tanguy Ndombele have all been told they can leave according to insiders.

All three were dumped

By JOHN ANTHONY

by Antonio Conte for the trip across London to Chelsea at the weekend.

Despite the Italian saying he doesn't have enough players, they were left out of the squad.

Conte is trying to get a deal for Wolves handful Adama Traore over the line. That will cost around

£20m plus costly wages for the Spain international.

Ndombele is wanted by Paris St Germain but the French giants want a loan deal rather than a transfer.

They are also keen for Spurs to pay some of the midfielder's hefty £200,000 a week wages.

Sevilla have been looking at Lo Celso but again they are only interested in a

loan deal. Alli needs to get back on the pitch if he's ever to play for England again.

Everton and Newcastle are thought to be interested in signing the 25-year-old.

The Toon are desperate for more creativity in midfield and think the Spurs man will be easier to sign than Man United's Jesse Lingard.
